

Member of the Board of Auditors - Paolo Carbone

Born in Genoa, Italy, on July 11, 1975, Professor Paolo Carbone graduated cum laude in Economics and Business Administration from LUISS Guido Carli University in Rome and subsequently earned a Ph.D. in Business Administration from the University of Foggia. He serves as a university lecturer at LUISS Guido Carli University. Since 2003, he has been a member of the Rome Association of Chartered Accountants and Accounting Experts and has been licensed to practice as a Statutory Auditor since 2004.

Founder of the firm Carbone & Associati, he specializes primarily in corporate and financial advisory services, with particular expertise in accounting standards, business valuation, corporate governance, corporate crisis management, and business turnaround and restructuring. He has also developed more than twenty years of experience in extraordinary transactions and transaction services. In addition, he serves as a court-appointed technical expert for the Civil and Criminal Courts of Rome and is registered both in the Register of Crisis Managers and in the List of Experts in Corporate Crisis and Restructuring. Throughout his career, he has held and continues to hold positions as Director, Liquidator, Statutory Auditor, and member of Supervisory Bodies established pursuant to Legislative Decree No. 231/2001 for numerous Italian companies, including leading enterprises operating in sectors such as publishing, energy, real estate, banking, and manufacturing.
